February 28, 2014

Dear Brethren in Christ,

We will host the 7th year of the Stark County Men's Retreat. Seven years ago, this was vision that came to fruition due to dedication of several men, from area congregations. It's a great overnight experience for Christian men to come together and sit at the feet of some of our local brethren and learn more about God word.

We hope that you will consider being a part of this experience. Please include this in your announcements and prayers. The book sale that we had last year, will be available again this year. Enclose are a several copies of the brochure, make as many copies as needed. Please make your checks out to the Northwest Church of Christ. If you have any questions, please contact me through the Northwest congregation.

In brotherly love,

Emmanuel C. Bradley
